Heavy fines were imposed in consequence by the Court of Special Sessions. The Department Drug Store. During the year 1905, 97,806 prescriptions were filled. In addition 221,888 tablets and pills were furnished, together with a miscellaneous lot of hospital supplies. Antitoxin. A most important advance was made during the year in the preparation of antitoxin. Through this method concentration of antitoxin from serums of low therapeutic value has been made possible. As a result the Department is able to manufacture, at less expense and in larger quantities, diphtheria antitoxin of high grade. This system has been thoroughly tested in the hospitals of the Department and has now been placed in the various antitoxin stations for the use of the public. This method has also been adopted by the various antitoxin manufacturers, with the result that a more powerful serum...
