Reviews

This kind of publication is every little thing and taught me to looking ahead of time and a lot more. It is packed with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.

Barron's Educational Series. Hardcover. Book Condition: New. Shelley Diererichs (illustrator). Hardcover. 32 pages. Dimensions: 6.6in. x 6.6in. x 0.4in. Twenty-seven humorous vignettes are cleverly captioned illustrations designed to help parents and kids cope with the challenges of toilet training. Toddlers will laugh when they see Mark picking out a potty at the toy store. And back at home, Toby didnt quite make it to the potty this time. Hell have better luck next time. Jordon waits till the last minute too-but hooray! We see him in the bathroom, and we know he made it on time. Alison is proud because she uses a grown-up toilet, and Amanda reads a picture book when she sits on her potty. Neither parents nor children need to take potty training too seriously, because sooner or later, everything works out just fine. Thats the message at the heart of Bob McGraths cheerful book- and boys and girls will enjoy seeing their own potty experiences repeated on these pages. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
