CCSS STATION ACTIVITIES FOR MIDDLE SCHOOL SERIES, REVISED EDITION (PAPERBACK)

Walch Education, United States, 2013. Paperback. Book Condition: New. 2nd. 272 x 213 mm. Language: English . Brand New Book. These revised editions of the Mathematics Station Activities for Common Core State Standards include updated and improved sets of station-based activities to provide students with opportunities to practice and apply the mathematical skills and concepts they are learning. Each of our Station Activity books has been revised to tighten alignment and better reflect current interpretations of CCSS content and practices, based on implementation experience. This set of 3 books include multiple sets of activities for each of the strands and the Common Core math requirements of the grade level. The activities consist of four different stations where students work in small groups, moving from station to station once their activities are complete.

- Multiple sets of activities, each with 4 separate stations - 15 minutes per station followed by a debrief discussion
- Correlated to Common Core Standards for Mathematics, complementing any math program
- Uses readily available materials and mani.
