

## The Other Side of Virtue: Where Our Virtues Came from, What They Really Mean and Where They Might be Taking Us

Filesize: 9.05 MB

### ***Reviews***

*This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*

John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, The Other Side of Virtue: Where Our Virtues Came from, What They Really Mean and Where They Might be Taking Us, Brendan Myers, The Celts, the old Norse and Germanic people, the Greeks of the time of Homer and Hesiod, and other ancient heroic societies are popularly believed to be tribal warrior cultures, where the light of civilisation had not yet dawned. In fact, this is far from the case. Many of our own most fundamental ideas about politics, justice, friendship, true love, the good life, and especially the notion of Virtue itself, come from their world. To them, virtue had nothing to do with purity, nor modesty, nor God-given laws, nor sin and guilt, nor with any Sunday-school pretentiousness. Rather, it originally meant 'excellence' and 'greatness of soul'. It was tied to more assertive qualities like strength and courage, and to social qualities like friendship. It was also connected to spiritual principles like the nature of the soul, the hope for immortality, and even the pursuit of happiness itself. Using ancient heroic epics and sagas like "Beowulf", the "Illiad" and "Odyssey", the "Eddas", the "Tain Bo Cuailnge", and literature inspired by them including the works of the Renaissance and Romanticism, Shakespeare, Tolkien, and J.K. Rowling, this book explains the world-view that gave birth to our virtues. In that world-view, life involves inevitable confrontations with inexplicable events like fortune, nature, other people, and death itself. However, the good life itself becomes possible when we face them and respond to them. Finally, the book calls for a revival of heroic and classical virtue in our time.
