Insider Secrets To Find, Interview and Get A Job Nearly everyone has had to look and interview for a job at some time in their lives. Whether you are unemployed or employed and want to find a better job, a job search can be a difficult and emotional challenge. It can be full of rejection and cause a loss of confidence. It can grind you down and wear you out. It can leave you feeling worthless and unappreciated. This even happens to high level executives. It doesn't have to be like that. Get Hired, Not Fired! will show you HOW and WHY business owners and hiring managers REALLY hire people. You are going to get first-hand, insider information. You are going to gain new skills and attain a completely different mind-set. Once you have this mind-set and learn these skills, you will always be in demand by employers and...
