Reviews

The most effective publication i at any time read. We have study and i am sure that i will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).

(Mr. Rafael Hoeger)

ON TOCQUEVILLE: DEMOCRACY AND AMERICA

WW Norton & Co. Hardback. Book Condition: new. BRAND NEW, On Tocqueville: Democracy and America, Alan Ryan, In On Tocqueville, Alan Ryan brilliantly illuminates the observations of the French sociologist Alexis de Tocqueville, who first journeyed to the United States in 1831 and went on to catalog the unique features of the American social contract in his two-volume masterpiece, *Democracy in America*. Often thought of as the father of "American Exceptionalism," Tocqueville sought to observe the social conditions of emerging political equality in America, "a river that may be channeled but cannot be stopped in its course." In choosing America, he posed a central question of how a moderate, stable, and constitutional government is to be maintained in the wake of a revolution. As a dispassionate visitor, Tocqueville wanted to discover the social, moral, and economic arrangements that made liberty and self-government possible. In doing so, Tocqueville made a number of prescient observations about American life-whether it be the contrast between equality and liberty or Americans' belief that they all belong to the middle class-that remain as relevant today as when they were first written. While Tocqueville is often praised by both conservatives and liberals, either for his distrust of big government and fondness for decentralized power or for his concern with association and community, both tend to overlook his contempt for the "coarse appearance" of the individual members of Congress as well as his enthusiasm for the brutal nature of our prison system. Alan Ryan examines the often complicated and elusive *Democracy in America*, tracing the influence of writers such as Rousseau, Montesquieu, and Guizot, and explaining Tocqueville's original conceptions of equality and individualism within their historical context. In Ryan's hands, *On Tocqueville* becomes the perfect introduction and guide to *Democracy in America*. *On Tocqueville: Democracy and America* features:...
