*This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).*

Word Spirit Press, United States, 2009. Hardback. Book Condition: New. 229 x 155 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.While there are many diatribes against the modern Word of Faith Movement and as many defenses of it, little scholarly work has investigated, analyzed, and compared and contrasted modern faith teaching with earlier evangelical writers. Only Believe is such a ground-breaking book written for non-specialists and scholars. Among its many accomplishments, Only Believe . . . \* theologically engages both the teachings of the Word of Faith Movement and their critics, examining from the unique viewpoint of the elliptical nature of truth the counter-polarities of faith teaching and practice; \* traces the origins of faith teachings such as revelation knowledge, logos and rhema, point of contact, seed faith, faith as a law and a force, covenant rights and inheritance, positive confession, and attitudes toward doctors and medicine through the church fathers, mystics, reformers, Pietists, Puritans, and the 19th-century Wesleyan, Keswick, and Higher Life holiness and healing movements; \* draws upon the faith teachings and practices of a wide variety of theological and denominational backgrounds: Methodist, Baptist, Presbyterian/Reformed, Episcopalian/Anglican, Lutheran, Congregationalist, holiness, Brethren, Catholic, Pentecostal/charismatic, and many others; \* highlights positive, balanced principles and models of faith of respected evangelical leaders, guiding the reader away from questionable teaching and practice and yet encouraging a walk by faith that is both strong and sound; \* contains a treasure house of preaching, teaching, Bible study, examples of faith, and research material.
