Reviews

A must buy book if you need to adding benefit. It can be rally interesting throgh looking at period of time. Its been designed in an remarkably simple way and it is only after i finished reading this publication by which in fact altered me, modify the way i believe.

(Ms. Julie Huels)

THE SELECTED WORKS OF T. S. SPIVET

Vintage, Great Britain, 2010. Softcover. Book Condition: New. 400 pages. Multiple copies of this title available. T.S. Spivet is a genius mapmaker who lives on a ranch in Montana. His father is a silent cowboy and his mother is a scientist who for the last twenty years has been looking for a mythical species of beetle. His brother has gone, his sister seems normal but might not be, and his dog - Verywell - is going mad. T.S. makes sense of it all by drawing beautiful, meticulous maps kept in innumerable colour-coded notebooks. He is brilliant, and the Smithsonian Institution agrees, though when they award him a major scientific prize they don't suspect for a moment that he is twelve years old. So begins T.S.' life-changing adventure, travelling two thousand miles across America to reach the awards dinner, the secret-society membership and the TV interviews that beckon. But is this what he wants? Do maps and lists explain the world? And why are adults so strange? Quantity Available: 4. Category: Fiction; General; ISBN/EAN: 9780099535171. Inventory No: 14020080.
