Brand New Book ***** Print on Demand *****.THIS IS A LARGE PRINT BOOK: We all want to look young and want to be healthy, but it doesn't come by eating anything you want. So, how can you achieve these two conditions? Here is a special e-book that I have written to help you reach both these conditions. If the fountain of youth existed everyone would drink from it. In this book you will find the fountain of youth and it has been in front of you for a long time. It turns out that people have been seeking beauty, youth, and healthy in the wrong places. Using the right food and drink is what cures. In this book you will discover: 1. How to stop your body's inflammation - the hidden killer in an acid body 2. The juices you can use to make your body alkaline 3. The juices to drink to cure or stop your disease 4. The vegetable juices that are best for you to drink to stop inflammation 5. The juices you need to use to cure various diseases or body conditions 6. The tonics you need to drink every day for anti-aging and beauty. 7. What you need to do to reverse aging and feel and look young again 8. What...
