Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.

ROAD TRIP TO HELL: TABLOID TALES OF SADDAM, IRAQ AND A CRAZY WAR

Monday Books. Paperback. Book Condition: new. BRAND NEW, Road Trip to Hell: Tabloid Tales of Saddam, Iraq and a Crazy War, Chris Hughes, Chris Hughes, the "Daily Mirror's" defence correspondent, was the first western reporter into Iraq after 9/11, the first into Saddam's secret bunker and the only one to visit Osama bin Laden's mountain lair. He was also the only western journalist present when American Marines killed and wounded unarmed demonstrators in Fallujah, sparking the savage insurgency. He's survived carjackings and missile attacks, watched mothers weep over the skeletons of sons dragged from mass graves and joined mercenaries flying crates of guns out of Baghdad. Hughes has been to every major troublespot in Iraq in a dozen visits, mixing with the SAS, British mercenaries and ordinary Iraqis; in "Road Trip To Hell", he tells their stories with wit and irreverence in a very readable style. He admits he's no expert on the Middle East - 'I wanted to call this book "Clueless in Gaza",' he writes, 'but George W Bush rarely invades places with potential for witty literary allusion' - but he has a fine eye for detail and black humour and gives a unique insight into a terrible, crazy war.
