Hampton Roads Publishing Co, United States, 2016. Paperback. Book Condition: New. 203 x 140 mm. Language: English . Brand New Book. Runes are alphabet letters or characters that have been used for thousands of years as a form of communication and divination. This book, written by an authority on divination systems, shows readers how to make their own set of runes and how to interpret them. Included in this primer are: A brief overview of the runes, from Etruscan times to the present A summary of the myths and lore that inform runic wisdom Definitions of the basic rune symbols Instructions on how to read the runes and rune spreads An introduction to runic magic In the past 25 years using runes as a divination tool has become increasingly popular. This most accessible guide presents each letter of the runic alphabet in detail with its origins and magical uses and helps seekers tap into their energy. From making your own runes (and a bag to protect them) to reading the ancient alphabet, casting the runes, and interpreting the spread, all the basics are laid out in a clear, easy-to-follow, and superbly illustrated fashion, perfect for beginners. This is a new edition of the author s Simply Runes that was published by Sterling in 2006.
