## HG2: A HEDONIST'S GUIDE TO MARRAKECH (HARDBACK)

Filmer Ltd, United Kingdom, 2007. Hardback. Book Condition: New. 2nd Revised edition. 184 x 112 mm. Language: English . Brand New Book. Marrakech is one of the most talked-about cities in recent years and continues to grace the style pages of magazines and newspapers across the world--it has become a haven for those interested in design, shopping and the naturally exotic. The centrepiece in what is widely regarded as North Africa's adventure playground, it has brought international sophistication to this dusty, dry corner of the world. The riads are among the most elegant hotels in the world, the cuisine is out of this world and the architecture striking. Hg2 Marrakech's first edition was recommended by many of the UK's top glossy magazines and newspapers. The second edition will contain more riads, restaurants and bars than before and alongside a new internal design will keep readers so up to date on this thriving city.
