

Classroom Discourse: The Language of Teaching and Learning (2nd Revised edition)

By C.B. Cazden

Heinemann USA. Paperback. Book Condition: new. BRAND NEW, Classroom Discourse: The Language of Teaching and Learning (2nd Revised edition), C.B. Cazden, When Courtney Cazden wrote Classroom Discourse, she provided such a cogent picture of what the research tells us about classroom language that the book quickly became a classic and shaped an entire field of study. Although other books since have addressed classroom language, none has matched Cazden's scope and vision. Now, thirteen years later, we've witnessed such significant changes in social and intellectual life that the subject of classroom discourse is more important than ever. So Cazden has revisited her classic text and integrated current perspectives and research. New features include: a new rationale for the importance of student-teacher talk: the importance of oral as well as written communication skills in today's occupations and current conceptions of knowledge and the way it is acquired; rich new examples of talk in K-12 classrooms - math as well as language arts - with transcriptions and analyses; new findings from teacher researchers as well as university researchers; new emphasis on achieving greater equity in what students learn; new material on the kind of interactions computers offer; new section on learning new forms...
