Atlantic Publishing Co, United States, 2015. Paperback. Book Condition: New. 2nd Revised edition. 226 x 150 mm. Language: English . Brand New Book. Are you worried about how to pay for college? Do you need information about how to get financial assistance? The National Center for Education Statistics (NCES) at the US Department of Education periodically conducts the National Postsecondary Student Aid Study (NPSAS). The most recent survey reported that only 5.5 percent of undergraduate students at four year universities received scholarships which amounted to \$2.91 billion. Financial aid money is available, but much of it is not being awarded. Scholarships and other financial aid are available; you just need the information, inspiration, and know how to take advantage of these opportunities. The revised 2nd Edition of The Scholarship Financial Aid Solution: How to Go to College for Next to Nothing with Short Cuts, Tricks, and Tips from Start to Finish is an updated, comprehensive, and detailed guide to obtaining financial assistance for your college education. This book should be studied by anyone investigating the opportunities available for scholarships, grants, and other assistance. You will have access to the different types of general scholarships available, where to look for these scholarships, and college application hints. Receive assistance on writing your resume, filling out applications, and essay writing. You will learn short cuts and simple tips to make the application process easier and how to get the most benefit from your letters of recommendation and interviews. Find out critical information on state grants, FASFA, and scams. The author shares her wealth of knowledge and the methods that have been successful in assisting students receiving millions of dollars in financial aid. You will gain knowledge on how to utilize available resources and simplify what can be an overwhelming and complex process. One...
