LAW SCHOOL BOOK Look Inside! State bar exam essays are

fun to write and fun to pass - but we must spot the actual

controversies presented. There is little credit in writing a

general essay that glosses over actual problems and

controversies that brought the particular parties to court. For

instance, problems can lurk anywhere on a contract essay -

formation, breach, defenses or damages. On a torts essay they

may lurk in the absence of a culpable mind - or in the absence

of required injury for the particular action brought.
