Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Beginner s Reading-Book A First Reader should contain a great many very easy lessons, carefully graded, and so arranged as to aid sight and memory, since these powers are the most active in the process of learning to read. The style should be natural and simple, yet never in conflict with good English, and the sentences or paragraphs short, such as may be apprehended at a glance before utterance begins. This plan should continue throughout the first year, in order to establish the habit of natural and fluent sight-reading. After a few months practice, however, long sentences may be read at sight with little effort, if divided into short sections at natural pauses, each section occupying a separate line. In such cases the pupils should read each section through as if it were complete in itself, then combine the parts and read the whole. The mind is thus aided to grasp the entire thought without undue effort, and without confusion. Extensive practice with easy reading is the surest and quickest way of laying the foundation for intelligent sight-reading of a higher grade. This is in every sense a reading-book, whatever would tend to interfere with the legitimate work of thought-getting and thought-expressing having been carefully excluded. The design is to show forth such an arrangement of lessons as will be most helpful to little children. The vocabulary is much more extensive than is usually found in a First Reader, yet the lessons are so graded as to form a standard of acquirement which the children will be able to attain in their first year s work. About the Publisher Forgotten Books publishes hundreds of...
