This is a bright, colourful series designed to help Key Stage 2 children (7-11s) develop their number skills and mathematical confidence, mainly by learning at home in support of their National Curriculum classroom studies. Each book is packed with mathematical puzzles and games and includes 12 pages of press-out pieces to use with the activities (counters, board games, etc). Generally speaking, the activities are designed for small groups as well as individuals and so encourage social as well as individual play.
