## CHILD HEALTH NURSING (PB)

2009. PaperBack. Book Condition: New. 271 Child Health Nursing is written with this challenge in mind. It views maternal-newborn and child health care not as two separate disciplines but as a continuum of knowledge. It is designed to present the content of the two disciplines comprehensively but not redundantly. It is based on a philosophy of nursing care that respects clients as individuals yet views them as part of families and society. The book is designed for undergraduate student use...
